SYNOPSIS: This Resolution authorizes the County Executive to sign the ratified collective bargaining agreement (“CBA”) with the Fraternal Order of Police (“FOP”), New Castle County Lodge No. 5. This is a three-year agreement that defines the wages and other terms of employment for the bargaining unit retroactive to July 1, 2026 through June 30, 2029. The CBA clarifies the parties duties in defending the CBA, sets forth the FOP’s grievance personnel permitting to attend those proceedings, describes the grievance procedure and establishes the FOP’s right to initiate a system-wide grievance at Step Two without necessarily representing a single grievant along with the New Castle County’s (the “County”) right to bypass Step Two grievance process upon proper notice, modifies the Holidays to include Juneteenth, and to provides for Holiday pay to be added to vacation pay, re-categorizes personnel groups from two to three for purposes of vacation scheduling and increases the maximum number of vacation carry over hours from 560 to 787.5, redefines “immediate family” under the Family and Medical Leave Act for those caring for an immediate family member with a serious health condition, creates an Emergency Leave section with requirements on the manner that such leave may be designated, increases the number of paid military training leave days from 10 to 15, clarifies who may receive the monthly health insurance credit for retired uniformed police and increases the maximum per year value from \$300 to \$375, provides that when a retiree or his/her spouse/eligible domestic partner is eligible for Medicare they are no long covered by the County’s health plan, permits the first \$500 of the clothing allowance to be paid upon transfer, modifies the bilingual/multilingual bonus from a total of \$500 a year to \$100 per month beginning on the first month after successful completion of a language fluency test, permits an Officer First Class (“OFC”) entering his/her 10th year of continuous service prior to July 1, 2027 to be eligible for promotion to rank of Corporal, effective July 1, 2027, permits an OFC entering or who as entered his/her eighth year of continuous service to be eligible for promotion to the rank of Corporal, effective July 1, 2027, provides for a Corporal entering his/her twelfth (12th) year of continuous service to be eligible for promotion to the rank of Senior Corporal, provides for a Senior Corporal entering his/her fourteenth year of continuous service prior to July 1, 2027 to be eligible for promotion to the rank of Master Corporal, and effective July 1, 2027 permits a Senior Corporal who has entered or will enter his/her sixteenth year of continuous service to be eligible for promotion to the rank of Master Corporal and modifies salaries.

FISCAL NOTE: The Resolution, if adopted, would approve a new contract for the Classified Employees represented by the Fraternal Order of Police, New Castle County Lodge No. 5.

The estimated fiscal impacts (Salaries/Wages and Employee Benefits) of the Collective Bargaining agreement for the period of July 1, 2026 through June 30, 2029 are as follows:

FY2027	\$1,400,000
FY2028	\$10,100,000 (\$8,700,000 incremental from FY2027)
FY2029	\$11,500,000 (\$1,400,000 incremental from FY2028)

The fiscal impact is calculated on the premise that wage levels would have continued unchanged for an additional three years in the absence of this contract's approval. The financial implications associated with this agreement have already been reflected in the FY2027 Approved Operating Budget. There is a companion ordinance to approve the pay plans for this agreement.

Acknowledged by the Chief Financial Officer July 14, 2026.

The FOP's duty of cooperation defined herein shall not apply to any claim presented by or on behalf

ARTICLE 7

GRIEVANCE PROCEDURE

A. A grievance is any unresolved question or dispute regarding the wages, hours, terms, or conditions of employment, including unresolved questions or disputes concerning the interpretation and application of this Agreement. Such grievance should state the relevant Article (s) and subsection(s) of the Agreement allegedly violated.

B. This procedure is designed to provide a peaceful and informal method of settling all such grievances while maintaining the professional integrity of employees covered by the Agreement. The parties agree that proceedings under this Article shall be kept informal and confidential as may be appropriate.

C. The FOP is obligated, when reviewing or submitting complaints, grievances, appeals, or problems encountered, to make every reasonable effort to ascertain, document, and present the true facts relating to the situation to facilitate appropriate and timely

resolution or action. The County agrees to make available to the FOP such records as the County and the FOP deem appropriate.

D. It shall be the firm policy of the County to assure every employee an unobstructed use of his/her grievance procedure without fear of reprisal or without prejudice in any manner to his/her professional status.

E. Time limits as set forth herein may be extended, in writing, by agreement of the parties.

F. The term "workday," whether singular or plural, as used in this Article and in Article 5, shall be defined to include only Monday, Tuesday, Wednesday, Thursday, and Friday and shall exclude Saturdays, Sundays, holidays and special holidays.

G. GRIEVANCE SUBMISSION

1. Grievances shall be processed as rapidly as possible in accordance with the following procedure:

(a) Employees shall have the right to represent themselves with the County and have such grievance(s) adjusted without the intervention of the FOP, provided the adjustment is consistent with the terms of the Agreement or the rights of other employees then affected and a grievance representative shall be present. Such rejection of FOP representation shall be evidenced by the employee on a written waiver form executed by the employee and submitted to the FOP. Notwithstanding any provision of this Agreement to the contrary, members who represent themselves do not obtain independent legal standing or rights to enforce the terms and conditions of this Agreement and shall not become independent parties to this Agreement for any purpose whatsoever.

(b) Grievances will not be considered under the grievance procedure unless signed by the Chairperson of the Grievance Committee or the grievance representative and presented within twenty (20) days of the grievant's scheduled workdays after the employee becomes aware of the circumstances giving rise to the grievance, but in no case shall exceed twenty (20) workdays. If the employee seeks, pursuant to Subsection(c)below, an informal resolution of the issue that may constitute a grievance, the time for filing a grievance is extended for an additional five (5) workdays after the employee is notified of the Chief of Police's proposed, informal resolution.

(c) Any employee may seek resolution of any issue that may be grieved by informally discussing the issue with the Chief of Police or designee. After discussion with the employee, the Chief of Police or designee may propose an informal resolution. If accepted

by the employee, no grievance may be filed. If not accepted, the employee shall have five (5) workdays from the date he/she is notified of the proposed informal resolution to file a formal grievance.

2. GREIVANCE STEPS

(a) Step One: Chief of Police or Designees

i. Any employee or one designated member of a group of employees having a grievance and/or his/her or their grievance representative shall file a grievance signed by the employee(s) and present it to the Chief of Police or designee. The Chief of Police or designee shall have five (5) workdays from date of receipt of the grievance in which to schedule a Step One hearing. The Step One hearing shall be held within twenty (20) workdays of receipt of the grievance by the Chief of Police or designee. A written decision on the matter shall be provided to the grievant by the Chief of Police or designee within fifteen (15) workdays of the Step One hearing.

ii. If the affected employee is dissatisfied with the decision of the Chief of Police or designee, he/she or his/her designated grievance representative may appeal to Step Two. An appeal to Step Two must be filed within five (5) workdays of the date of the written Step One decision.

(b) Step Two: Chief Administrative Officer ("CAO") (or Designee).

i. Within thirty (30) workdays of the receipt of any appeal from a Step One grievance decision, the CAO or designee shall hold a Step Two hearing.

ii. To perfect an appeal to the CAO or designee, the FOP must submit a written position statement, no greater than 2 pages in length, which includes relevant facts and contract provisions and may include legal/arbitral authorities that support the appeal. The FOP's position statement must be provided to the CHRO at the time the appeal is filed. The County must submit a brief, written position statement, no greater than 2 pages in length, which includes relevant facts and contract provisions and may include legal/arbitral authorities that support opposition to the appeal within five (5) business days of the submission of an appeal by the FOP. The County's position statement must be provided to the FOP Grievance Chairperson at the time of submission to the CAO.

iii. The CAO or designee may conduct investigations, appoint advisory committees, require the attendance of members of the department as witnesses and require the production

or examination of records, books, papers, and other documents relating to the matter as they deem necessary. The FOP Grievance Committee, through the CHRO, shall have the authority to require the attendance of members of the Department or other County departments as witnesses and require the production or examination of relevant records, books, papers, and other documents relating to the matter.

iv. The County's CAO designee may be the Deputy CAO, Director of Public Safety, CHRO, or Chief of Staff. Should these officials be unavailable, the parties may agree on a different person to serve as the Step Two Hearing Officer.

v. The employee, grievance representative, and/or members of the grievance committee and/or counsel shall present the grievance at the Step Two hearing.

vi. The CAO shall submit the Step Two decision in writing within ten (10) workdays and shall affix his or her signature thereto.

(c) Step Three: Appeal to Arbitration

i. The decision of the Step Two hearing officer may be appealed to arbitration, provided that a request for arbitration shall be filed with the American Arbitration Association (AAA) under the current Labor Arbitration Rules within thirty (30) calendar days after the Step Two decision has been given in writing by the Step Two hearing officer to the FOP President. Otherwise, the case shall be considered settled based on the Step Two decision.

ii. The arbitrator shall be selected from the membership of the AAA by mutual agreement of the County and the FOP. If the parties cannot agree on a selection within ten (10) workdays after the parties' receipt of a list of available arbitrators from the AAA, the arbitrator shall be selected under the Labor Arbitration Rules of the AAA.

iii. Notwithstanding any provision of this Article to the contrary, the parties may mutually agree in writing to substitute any commercially reasonable method of alternative dispute resolution or other third-party neutral practice, including establishing a standing panel of arbitrators, in satisfaction of the Step Three functions laid out herein.

iv. The decision of the arbitrator shall be final and binding on the parties, and the arbitrator shall be requested to issue his/her decision within thirty (30) days after the record is closed.

v. The arbitration award shall be in writing and shall set forth the arbitrator's opinion and conclusions on the issue(s) submitted. The arbitrator shall be without power to make any decision contrary to or inconsistent with, or modifying or varying in any way, the terms of this Agreement. The arbitrator shall have no power to establish or change any wage rate or the job content of any classification or modification of any wage schedule.

vi. In case of a grievance involving any continuing or other money claim against the County, no award shall be made by the arbitrator, which shall allow any alleged accruals prior to the date when such grievance shall have been presented to the County in writing except in a case whereby the employee or the FOP due to lack of knowledge could not know prior to that date that there were grounds for such a claim. In such cases, retroactive claims shall be limited to a period of thirty (30) calendar days prior to the date the claim was first filed in writing.

vii. The fee for the arbitrator's service and expenses, the administration fee of the AAA, and the cost of the proceedings shall be borne equally by the County and FOP. If either party desires a verbatim record to be made, it shall pay for the record and supply the arbitrator with a copy. Should the other party desire a copy(s) it can be obtained at the cost of that party.

3. SPECIAL RIGHTS OF THE PARTIES

The FOP has the right to initiate a system-wide grievance at Step Two without necessarily representing a single grievant. The County has the right to bypass Step Two for a system-wide grievance. The County may not bypass Step Two unless it has provided FOP notice of its intent to bypass within five (5) business days of the receipt of FOP's position statement required by this Agreement.

ARTICLE 8

DISCIPLINARY ACTION

A. It is agreed and understood that the County has the right to maintain discipline. Any disciplinary action taken by the County shall be subject to appeal rights as provided in the grievance procedure herein.

B. The forms of discipline shall include dismissal, demotion, suspension without pay (including suspension of off-duty paid job assignments), transfer, written reprimand, and oral reprimand. Suspension of off-duty paid job assignments will not be used as a separate form of discipline (i.e., separate from suspension without pay), unless the disciplinary action arises out of a police officer's

performance of a paid job assignment.

C. Any other form of discipline not specified in B above shall be approved by the FOP prior to its implementation.

D. The County agrees that it will not require employees to work extra-duty hours, as a form of discipline, without the appropriate compensation.

ARTICLE 9

INTERNAL INVESTIGATION

A. Establishment

The following internal investigation procedures are established and shall be followed when a police officer is questioned in connection with an investigation of his/her conduct. It is understood that police officers exercise a difficult, but important role in the maintenance of law and order. Their constant responsibility to act within the framework of law, and in a manner which properly reflects the discipline of the Department requires that reporting procedures be established to maintain officer accountability. On the other hand, it is important that in the process of requiring officers to render account for their use of power, they are not required to sacrifice important rights safeguarded to all other citizens.

B. Definition of Internal Investigation

An internal investigation is any examination, question, inquiry, investigation, scanning or other method designed to examine certain points of information, either based on fact or hearsay, which may ultimately result in the disciplining of a police officer for alleged violations of law, governing rules and regulations, directives or other rules of conduct.

C. Professional Standards Unit

The Department shall establish a unit, to be known as the Professional Standards Unit, which shall be responsible for handling internal investigations.

D. Duty to Cooperate and Garrity Rights

1. The Department recognizes that, for purposes of criminal prosecution, officers do not automatically waive their Constitutional privilege against self-incrimination when questioned regarding an internal investigation. However, every police officer shall answer questions posed to him/her by officers of the

Professional Standards Unit. If a police officer refuses to answer questions upon being advised of his/her Garrity Rights, he/she may be placed on administrative leave without pay by the Chief of Police or designee immediately upon refusal.

2. If an officer is cooperative, but reasonably requests additional time to retain counsel and/or legal representation, he/she shall be placed on administrative leave with pay for no more than twelve (12) calendar days and he/she shall be paid his/her base rate of pay. Should the employee continue to refuse to answer questions posed by the Professional Standards Unit after the twelve (12) days mentioned above, he/she may be continued on administrative leave, but it shall be without pay or benefits. However, if no criminal charges are placed against the employee, he/she shall be reinstated with full benefits and back pay at his/her base rate.

E. Complaints

When a complaint is made against a police officer, a preliminary review of the complaint will be conducted using all available resources, including but not limited to: body worn camera footage, video surveillance footage, audio recordings, and/or witness testimony. If there is just cause to investigate, the complaint will be fully and properly investigated. If there is no corroborative evidence in support of the complaint, then the complaint shall be classified as unfounded, and the employee shall not be required to submit a written report or memorandum.

F. Procedure

The following procedures are established to ensure certain rights of police officers under investigation and shall not be construed to limit supervisory or command authority in normal operations. To ensure that internal investigations are conducted in a manner which is conducive to good order and discipline the following procedures are established:

1. Every police officer shall answer questions upon the request of officers of the Professional Standards Unit, subject to the provisions in subsection D above. Before questioning of the police officer occurs, he/she shall be apprised of the following: identity of the officer in charge of the investigation, identity of the officers conducting the investigation, their names, ranks, and assignments, the nature of the investigation including any alleged violations of rules and regulations and/or orders, or any other allegations. The police officer shall be notified of the complainant's name, if available. The police officer shall also be advised whether his/her involvement in the investigation is as a principal or witness at the time of questioning.

2. The questioning of a police officer shall be conducted at a reasonable hour in a non-coercive manner, without threat or promise of reward and preferably when the police officer is on duty. If the urgency of the investigation requires that he/she be questioned while off duty, he/she shall be awarded pay at premium rate in accordance with Article 22 of this Agreement.

3. The questioning of a police officer shall be conducted at police headquarters, the County Administration Building or the place where the incident allegedly occurred, as designated by the investigating officer, unless otherwise waived by the officer being investigated.

4. All questions directed to the officer under investigation shall be asked by and through no more than two (2) interrogators.

5. Interrogation sessions shall be for a reasonable period and shall allow time for such personal necessities and rest periods as are reasonably necessary.

6. If a complete record, either written, taped or transcribed, is kept of the interrogation of the police officer, a copy of the record shall be available to the officer or his/her counsel upon request.

7. If the officer under interrogation is being investigated in reference to violation of a criminal statute, he/she shall be completely informed of his/her rights prior to the commencement of the interrogation.

8. At the request of any officer under interrogation, he/she shall have the right to be represented by counsel or other representative of his/her choice, who shall always be present during the interrogation, unless waived by the officer.

9. Directives and orders concerning internal investigations inconsistent with the guidelines set forth herein shall be modified accordingly.

10. The Department shall not insert any adverse material into any file of an officer except the file of the internal investigation, unless the officer has an opportunity to review, sign, receive a copy of, and comment in writing upon the adverse material.

11. If the County is required by subpoena to produce a Professional Standards Unit file or part of a file and an employee is party to the proceedings or an officer may be required to testify, the

officer may review the produced files.

12. Prior disciplinary actions related to discriminatory policing, harassment, and/or tampering with evidence, may be considered for purposes of establishing a pattern or practice of unacceptable behavior and may be used for purposes of future progressive discipline regardless of when the prior disciplinary action occurred. An employee who receives no discipline for three years from the last discipline shall not have prior discipline for infractions unrelated to discriminatory policing, harassment, and/or tampering with evidence considered against him/her for purposes of future progressive discipline.

G. Legal Defense and Police Professional Liability Insurance

1. The County agrees to provide defense counsel for any employee subjected to or threatened with civil or criminal prosecution because of the lawful performance of his/her duties as an employee of the County. All reasonable efforts will be made to provide counsel acceptable to both the County and the employee, but the final determination as to who shall serve shall rest with the County alone. The County agrees to accept responsibility for all reasonable and necessary expenses connected to the defense of the employee, but in no event shall the County pay, or be responsible or liable for, any assessment of punitive damages, or for fines beyond the cost of the defense in a suit in which the employee is found to have acted wantonly and/or maliciously.

2. The FOP or the employee may provide or obtain such additional counsel as they may deem necessary for the proper defense of the employee without prejudice to or relief of the County's responsibility in the provision of counsel as provided for in paragraph 1, above.

3. The County shall provide police professional liability insurance coverage which shall include protection against false arrest and civil suit damages for each individual employee in the performance of his/her duties. Said coverage shall be for a maximum benefit of one million dollars (\$1,000,000.00) per claim.

ARTICLE 10

DISCRIMINATION

A. The County shall not interfere with or discriminate in respect to any term or condition of employment against any employee covered by this Agreement because of membership in, or legitimate activity as required in this Agreement on behalf of members of this bargaining unit.

B. The FOP agrees to represent employees in the unit by admitting persons into membership without discrimination on the basis of race, creed, color, national origin, marital status, age, gender, sexual orientation (defined as heterosexuality, homosexuality or bisexuality), or political affiliation; further, the FOP recognizes its responsibility of non-interference, restraint of coercion of any employee of the County in the performance of his/her duty.

C. There shall be no discrimination by the FOP or the County because of race, color, creed, national origin, gender, sexual orientation (defined as heterosexuality, homosexuality, or bisexuality), age or any other classification protected by law.

ARTICLE 11

PROBATIONARY STATUS PERIOD

A. All employees shall be subject to a probationary period of one (1) year from the completion of a County-approved police academy or substitute training orientation program. The period of probation is expressly understood to be part of the entrance requirements and permanent status will not be approved until such employees satisfactorily complete the period of probation.

B. Employees who are disciplined up to and including dismissal during the probationary period defined above may challenge such discipline through the contractual grievance procedure as allowed by 11 Del. C. § 9203. Any separation from service of a probationary employee having been sworn and assigned regular duty shall require the approval of the CHRO.

C. Employees who are appointed to a higher rank must serve a probationary period of one (1) year during which time the individual must meet the requirements of the new rank as established by the Chief of Police. Failure to meet the requirements will subject the individual to reduction to former rank.

D. Nothing in subsection C above is to be construed as limiting the Chief of Police in the promotion of personnel as vacancies or operations may demand.

ARTICLE 12

SENIORITY

A. Any employee shall establish seniority by satisfactorily completing the probationary period of one (1) year after graduation

from a County-approved Police Academy or substitute training orientation program. Thereafter, their names shall be placed on the seniority list by classification in order of their seniority as of the most recent date of hire. County-wide seniority shall be used for measuring accrual of benefits and increments. If there is a tie in seniority, the employee with the highest last three digits in his/her social security number shall be considered the senior employee. If a tie exists when these last three digits have been reviewed, the employee with the last four highest digits in his/her Social Security number shall be considered the senior employee.

B. The Office of Human Resources shall keep the seniority lists up to date. Upon request, the President of the FOP may inspect the seniority list in the Office of Human Resources.

C. An employee shall lose seniority standing if separated from County employment except for a layoff not exceeding two years.

D. Layoffs, when necessary, shall begin with those employees having the least seniority in the positions covered by this Agreement in the affected occupational classification. A senior employee may displace the junior employee in a lower classification after exhausting his/her seniority within his/her own classification. Employees who can retain employment with the County by exercising their seniority but elect not to do so and, in lieu thereof, choose to leave County service shall be considered to have resigned voluntarily.

E. Employees who have been laid off shall have recall rights in the inverse order of layoffs according to seniority for a period of two years. The employee shall be given one option of returning. If he/she elects not to return, all further recall rights shall be forfeited. If recalled within the two-year period, employees shall not be required to attend a police academy.

(e) For an employee who would be entitled to more than twenty-five (25) days of vacation if he/she had worked during the entire calendar year ("the employee's total vacation days"), the employee's total vacation days divided by ten (10), rounded to the nearest one-half day, for each completed month of service in the current calendar year, to a maximum of the employee's total vacation days. For example, if an employee would be entitled to thirty-four (34) vacation days if he/she had worked the entire calendar year, such

an employee would be credited with three and one-half (3.5) days of vacation for each completed month of service in the current calendar year, to a maximum of thirty-four (34) days.

Patrol officers, OFC, and all ranks of corporals will be placed in the non-supervisory category. Vacation scheduling of one group shall not impact the other group.

2. An employee who does not receive his/her requested vacation shall have until March 15 to resubmit the vacation request in accordance with the foregoing procedure. After March 15, vacations will be granted on a first-come, first-served basis based upon the date submitted, with seniority serving as a tie breaker.

3. Vacations scheduled prior to March 15 shall not be canceled due to transfers unless an emergency exists, as per subsection 1, above.

4. During the period governed by seniority, vacation requests for dates during the months of June, July and August of two (2) consecutive scheduled full workdays or more will have priority over vacation requests of one (1) day.

5. Officers working the 4-4 shift are limited to using twelve (12) days of vacation during the months of June, July, and August. Vacation scheduling will proceed by seniority.

D. Vacation time will be credited and subtracted in hours, depending on the employee's regular scheduled shift. For example, 1 day = 8 hours, 10 hours, or 11.25 hours, depending upon the employee's regular scheduled shift.

E. The vacation year shall begin March 1 and end on the last day of February. Vacation must be applied for and taken during this period. A maximum of 787.50 hours of vacation may be accumulated and carried over, subject to the following provisions:

1. An employee carrying up to 240 vacation hours must take at least 40 hours of vacation in each vacation year; and

2. An employee carrying over 240 to 787.50 vacation hours must take at least 80 hours of vacation in each vacation year.

F. If a holiday falls within an approved scheduled vacation period, the employee shall be entitled to an additional day of vacation in lieu of holiday pay.

2. The County will make every effort to ensure that vacations taken in lieu of holiday or overtime day pay will be recorded on the employee's next paycheck or as soon thereafter as possible.

ARTICLE 15

SICK LEAVE

A. Each employee is entitled to sick leave with full pay in accordance with the following provisions:

1. An employee shall be credited with one (1) day of sick leave for each completed month of service. Accumulation of sick leave is unlimited.

2. Any new employee placed on the payroll of the County on the first working day of the month shall, at the completion of that month, be credited with a full month of sick leave credit.

B. Sick leave may be used to prevent loss of pay when absent for:

1. Personal illness or injury, when not covered by worker's compensation.

2. Medical, dental, or optical appointment. Up to four (4) hours of sick leave shall be granted for such appointments, unless factors such as unusual travel or recuperative problems occur. Additional time shall be granted in these instances if supported by a copy of the appointment form or other acknowledgment supplied by the treating physician.

(a) An employee who has prior knowledge that he/she may have to use sick leave for medical, dental, or optical appointments shall make application for this type of sick leave on forms prescribed by the County, specifying the name and location of the physician and the date and time of the appointment.

(b) Such application for sick leave usage must be made

at least twenty-four (24) hours in advance for an employee to be entitled to use sick leave to cover his/her absence. Inability or failure to notify the County twenty-four (24) hours in advance shall require the employee to provide an explanation to the Chief of Police or designee.

(c) If a medical emergency precludes the employee from applying for sick leave in advance of a medical, dental, or optical appointment, he/she shall be required to complete the application form immediately following his/her return to work and properly verify such emergency by supplying a statement from his/her physician.

(d) To receive compensation for sick usage for a medical, dental, or optical appointment, the employee shall also be required to report his/her inability to be on duty, as specified in Section E, below, if such an appointment precludes his/her coming to work at his/her regularly scheduled starting time.

3. Quarantine in the home, or when upon the advice of a physician it appears that the presence of an employee would jeopardize the health of fellow employees.

4. Illness requiring personal attention of an employee due to the illness or injury of an individual with whom the employee resides or to care for a member of the immediate family who has a "serious health condition" as defined by the Family and Medical Leave Act for whose care the employee is responsible. The immediate family shall be defined as father, mother, brother, sister, son, daughter, husband, wife, parent-in-law or any relative residing in the same home or any person with whom the employee has made his/her home. Immediate family shall also include one who stands *in loco parentis* and step siblings, children, and parents. The limit under this paragraph shall be ten (10) days per year. Further usage shall require the approval of the Chief of Police or designee.

C. The County and the FOP agree to cooperate in encouraging employees afflicted with alcoholism or drug addiction to undergo a program directed toward their rehabilitation.

D. To receive compensation for sick leave, it is the employee's responsibility to report his/her inability to be on duty and the reason at as early an hour as practical, but in any event prior to the time set for the beginning of his/her daily duties.

E. Sick leave will be credited and subtracted in hours, depending on the employee's regular scheduled shift. For example, 1 day = 8 hours, 10 hours, or 11.25 hours, depending upon the employee's regular scheduled shift.

F. To receive payment for sick leave, any employee who is absent for personal illness for three (3) or more consecutive days may be referred to the County's designated medical facility upon returning to work unless he/she presents a medical certificate.

1. If the employee returns to work without a medical certificate, he/she shall immediately report to his/her supervisor who shall determine whether the employee should start work or be referred to the County's designated medical facility.

2. After an absence of three (3) or more consecutive days, due to a personal, non-occupational injury, an employee shall not be permitted to return to work unless he/she presents a medical certificate from his/her physician.

G. Time off without loss of pay or sick leave shall be granted as follows:

1. In the case of a death of a member of the immediate family, defined in Section C, Subsection 4, no deduction of hourly rate may be made for absence of four consecutive workdays.

2. In the case of the death of a near relative, defined as grandparent, first cousin, aunt, uncle, niece, nephew, brother-in-law or sister-in-law, absence on the day of the funeral shall be allowed, provided it is a regularly scheduled workday for the employee. The employee may be required to provide verification to be granted this leave.

H. Notwithstanding any other provision of this Article 15 to the contrary, each employee may designate up to 3 days of accrued sick leave each year as "Emergency Leave." "Emergency Leave" designation is permitted only in full day increments and only when the employee is presently unable to report to duty caused by any of the following: 1) a serious, sudden, and unforeseen accident directly involving the employee, 2) damage to the employee's residence(s) due to an emergent event (not to include income earning properties in which the employee does not reside), 3) a serious, sudden, and unforeseen accident directly involving a member of the employee's immediate family, or 4) damage to the principle residence of a member of the employee's immediate family due to an emergent event. No other causes qualify as a basis for an employee to designate sick leave as Emergency Leave. Employees must produce documentation to support the designation of Emergency Leave when requested. The term "immediate family" as used in this subsection shall have the same meaning as set forth in Section B, subsection 4 of this Article. Designation of Emergency Leave must follow the procedure outlined in the applicable sections of the Division of Police Policy related to Compensation,

Benefits, and Conditions of Work (currently Appendix 22-C).

I. If Congress enacts legislation providing for involuntary induction into the military, absence necessitated by examination connected with possible Selective Service induction shall be allowed without charge against sick leave.

J. In the case of an extended illness where an employee with at least six (6) months' service has exhausted all his/her accumulated sick leave, vacation time, and any other available paid leave the FOP may request that an advancement of unearned sick leave be loaned to such an employee. The FOP shall bring the matter to the attention of the CHRO or designee who may, at his/her sole discretion, grant a sick leave loan up to ten (10) days, provided that a written statement from the employee's physician has been submitted which indicates the reason for the extended illness. The CHRO may recommend that the County Executive grant an additional sick leave loan of up to twenty (20) days. Such advancement of unearned sick leave shall be considered a loan and shall be repayable to the County. When the employee returns from his/her extended illness and begins to accumulate sick leave, one-half day of sick leave per month shall be deducted from the employee's balance until the entire sick leave loan has been repaid; the employee may elect to repay the sick leave loan more than one-half day per month. All such loans must be reimbursed to the County before any request for additional sick leave loans are granted. When an employee who has received an advance loan leaves the County service and the loan has not been repaid, the County will be reimbursed for the remaining sick leave balance, except in the case of death or full disability.

K. Sick leave shall be certified by the Chief of Police or designee upon forms prescribed by the Office of Human Resources which shall maintain complete and accurate leave records. Records of sick leave accumulated and taken shall be available to the employee or the FOP. Accumulated sick leave of employees shall be credited on their personnel records.

L. Title 29, Chapter XIV, Part 1604 of the Code of Federal Regulations requires that the County comply with the guidelines on employment policies relating to pregnancy and childbirth which have been set forth therein by the Equal Employment Opportunity Commission. In accordance with these guidelines, the County agrees to the following provisions:

1. An employee shall be permitted to continue working until such time as the employee's physician determines that the employee is no longer physically able to perform her regular job duties. It is the employee's responsibility to inform her physician as of the nature of her regular job duties.

2. An employee may request a leave of absence without pay, as set forth in Article 20(A)(4), to cover Health issues relating to pregnancy, childbirth, and recovery there from. The leave must be for a definite period so that the substitute may know his/her status. The employee must return at the close of her leave or forfeit her position and her seniority.

ARTICLE 16

B. Eligibility shall be limited to non-probationary employees.

C. An eligible employee who seeks to join the Bank must donate a minimum of one (1) day up to a maximum of twelve (12) days of accrued sick leave annually, during the open enrollment period. 3. To qualify for Bank usage, a member must meet all the following requirements:

2. No payment shall be made pursuant to this provision until the employee has established an account with the County's deferred compensation administrator and has been removed from the applicable County health insurance plan. In addition to exclusion from this payment as a primary insured, employees who have secured health insurance coverage through a County plan, other than as a primary insured, will not be eligible to receive this payment.

G. Access to Information: The FOP will be granted full and complete access to all information pertaining to rate increases. This access will include authorization to receive information directly from existing and prospective carriers.

H. Retirees

1. The County agrees to make available and assume the cost of a basic individual indemnity plan for those employees retiring on or after July 1, 1975, but before April 1, 1997, who are not eligible for Medicare. Such retirees shall have the same options available to active employees under Sections A and D, above, with the cost of coverage under the basic indemnity plan serving as the amount of the County's contribution.

2. For those employees retiring on or after April 1, 1997 (who are not eligible for Medicare), the County agrees to assume the full cost of providing a basic individual indemnity plan. Further the County agrees to issue health insurance credits as outlined below:

(a) Each month, the retiree shall be issued a health insurance credit to be used exclusively to purchase health insurance coverage (through the County) for retirees who purchase coverage for themselves and their child or their children, spouse/eligible domestic partner, or family.

(b) The value of the monthly credit for retired uniformed police will be the product of \$15 times the number of years of credited service. The maximum value of the monthly health insurance credit for each retiree shall be \$375 regardless of length of service in excess of the number of years required for normal retirement under any plan.

(c) Credits cannot be banked for future use.

(d) If the cost of the health insurance program selected by the retiree exceeds the amount of the individual retiree's health insurance credit, the retiree will be responsible to contribute the difference. In the event other coverage is available for the spouse/eligible domestic partner, the County will be considered the secondary provider of insurance under coordination of benefits.

(e) For the avoidance of doubt, a retiree who purchases health insurance coverage solely for themselves is not entitled to a health insurance credit under this Article.

3. Regardless of the date of retirement, when a retiree or his or her spouse/eligible domestic partner becomes eligible for Medicare, the County's insurance will cease. Upon verification of enrollment in Medicare Parts A and B, the County will pay the full cost of providing the retiree and his or her spouse/eligible domestic partner with coverage that supplements, or, as in the case of Medicare advantage plans, replaces Medicare for Medicare participants. In the

event of the retiree's death, the County will not assume the cost of providing coverage for the surviving spouse/eligible domestic partner.

4. When the retiree or his/her spouse/eligible domestic partner becomes eligible for Medicare, the Medicare eligible individual is no longer covered by the County plan. He or she is eligible for the Standard Medifill or equivalent coverage. The retiree or his/her spouse/eligible domestic partner who is not Medicare eligible at that time shall remain on the County plan until he/she becomes Medicare eligible.

5. When a member of the Department retires on a disability retirement and is unable to work at a full-time job, he/she shall be eligible to receive the County's basic indemnity coverage plan in effect at the time of his/her retirement. The cost of the plan, which may cover the employee, his/her spouse, and dependent children who are entitled to coverage under federal law, shall be borne by the County. Such retirees shall have the same options available to active employees under Sections A and D, above,, with the cost of coverage under the County's basic indemnity plan in effect at the time of his/her retirement serving as the amount of the County's contribution.

I. Life and Accidental Death and Dismemberment Insurance

1. The County agrees to assume the full cost of life insurance amounting to one and one-half (1½) of the employee's annual salary, with a minimum death benefit of \$50,000 and a maximum death benefit of \$200,000.

2. Additionally, the County will provide accidental death and dismemberment benefits for each employee. Employees will contribute \$1.00 per month toward the cost of this insurance. The County further agrees to administer (through payroll deduction) the voluntary purchase of additional term life insurance coverage at full cost to the employee.

3. The County agrees to assume the full cost of providing \$5,000 life insurance for those employees retiring from County service on or after April 1, 1997, with accidental death and dismemberment benefits for each employee. If the retiree had voluntary additional life insurance as of the date of retirement, the retiree may elect to continue the voluntary additional life insurance coverage, and the County agrees to assist the retiree in obtaining such coverage, at full cost to the retiree.

J. Benefits Committee

1. The County shall maintain a Labor - Management Health Care Benefits Committee (the Benefits Committee) which shall consist of a representative designated by each County bargaining unit and six (6) representatives designated by the County, each of whom shall be a participant in the County employee health insurance plan. The CHRO or designee shall chair the Benefits Committee.

2. The Benefits Committee shall meet for the purpose of reviewing and determining employee benefits including any Wellness Programs available to County employees for the future enrollment periods and the identity of administrators and carriers.

3. The Benefits Committee shall be involved at all stages of the review process, including the development of bid specifications, the review of bids (including costs of each plan), meetings with bidders, the design of a benefits plan and Wellness Program, and the selection or termination of plan administrators and consultants. One of the objectives of this review and selection process shall be to foster competition among bidders. During this process, the FOP representatives will be granted full and complete access to all information relating to employee benefits.

4. The Benefits Committee shall meet as often as possible to fulfill the duties identified in subsections 2 and 3, above, but no less frequently than quarterly. Meeting agendas will be provided in advance and will include quarterly financial updates of the plan. Minutes will be provided after each meeting.

5. Any recommendations reached by the Benefits Committee shall be subject to approval by the membership of the FOP, in the following manner: Committee members shall be provided with adequate time and information regarding the proposed recommendation of the Benefits Committee to allow FOP members to make an informed decision regarding their health care benefits. Following a decision by the FOP membership regarding the proposed recommendation of the Benefits Committee, the Benefits Committee shall meet to vote on the proposed recommendation, which shall require approval by two-thirds of the members present at the Benefits Committee meeting. With advance notice, Benefits Committee members may designate a proxy to cast their vote.

Refer to those sections for changes which modify pension provisions for police officers. Medical insurance will be covered under and the same as Article 27..

ARTICLE 33

C. Employees shall take the Physical Fitness Test on an annual basis.

D. The County and the FOP will confer and agree upon minimum standards and progressive discipline.

ARTICLE 34**CAREER DEVELOPMENT**

A. The County recognizes the specialized expertise of officers within the Department as compared to the entry level police officer. It is a well-recognized principle in Personnel management that people are the most important asset to an organization. If the organization is to operate at peak efficiency, it can only be done when its individual members have developed their individual skills to their highest degree of capability. This development and individual growth results in greater job satisfaction and greater efficiency and effectiveness in job performance. In this regard, the County has established the following career development plan:

1. All bargaining unit employees who are awarded a bachelors, graduate, or post-graduate degree from an accredited educational institution shall be eligible to receive a one-time payment of \$200, to be paid within sixty (60) days of the submission to the Public Safety Department of written documentation evidencing the awarding of the degree. Payment under this paragraph shall be limited to one (1) bachelor's degree, one (1) graduate degree, and one (1) post-graduate degree for each bargaining unit employee.

2. All bargaining unit employees shall be paid an annual bilingual/multilingual bonus in the amount of \$100 per month. Payment shall commence upon the employee's achieving a passing score on a language fluency test measuring the employee's proficiency in speaking and comprehending a second language. All subsequent monthly payments shall be made in the first pay period of the month. The County and the FOP will confer on the parameters of the proficiency test prior to its implementation or modification. This test will be coordinated by the County in January of each year. The bilingual/multilingual bonus shall be paid within sixty (60) days of the employee's successful completion of the language fluency test.

B. The County shall conduct annual testing to determine promotions to the positions of Sergeant and Lieutenant. The written examination for each rank will take place on the second Saturday in February and the eligible list for each rank will be published by May 8th of the same year.

C. A patrol officer, upon satisfactorily completing three (3) years of continuous service as a police officer with the County, shall receive Officer First Class (OFC) stripes without any additional adjustment in pay. Said patrol officer must maintain satisfactory evaluation to retain all OFC stripes.

D. An OFC, entering his/her tenth (10th) year of continuous service prior to July 1, 2027, shall be eligible for promotion to the rank of Corporal. Effective July 1, 2027, an OFC, who has entered or who will enter his/her eighth (8th) year of continuous service shall be eligible for promotion to the rank of Corporal. Eligibility for Corporal rank is contingent upon meeting the following:

1. He/she has received four satisfactory evaluations after obtaining the rank of OFC and is rated satisfactory in the current year.

2. The Corporal rank may be lost by an unsatisfactory performance evaluation and/or serious disciplinary action.

3. The Corporal rank once obtained and lost would be reinstated once a satisfactory performance evaluation is obtained.

4. It is understood that the rank of Corporal is not a supervisory position but recognition of satisfactory years of service and leadership. Should a vacancy occur on a shift, there would be no acting Corporal status.

5. It is also understood that the rank of Corporal does not give preference to that officer for consideration of any promotional opportunity.

E. A Corporal entering his twelfth (12) year of continuous service shall be eligible for promotion to the rank of Senior Corporal provided he/she has met the following:

1. He/she has received two consecutive satisfactory evaluations after obtaining the rank of Corporal and is rated satisfactory in the current year.

2. The Senior Corporal rank may be lost by an unsatisfactory performance evaluation and/or serious disciplinary action.

3. The Senior Corporal rank once obtained and lost would be reinstated once a satisfactory performance evaluation is obtained.

4. It is understood that the rank of Senior Corporal is not a supervisory position but recognition of satisfactory years of service and leadership. Should a vacancy occur on a shift, there would be no acting Senior Corporal status.

5. It is also understood that the rank of Senior Corporal does not give preference to that officer for consideration of any promotional opportunity.

F. A Senior Corporal entering his/her fourteenth (14) year of continuous service prior to July 1, 2027, shall be eligible for promotion to the rank of Master Corporal. Effective July 1, 2027, a Senior Corporal who has entered or will enter his/her sixteenth (16th) year of continuous service shall be eligible for promotion to the rank of Master Corporal. Eligibility for Master Corporal rank is contingent upon meeting the following:

1. He/she has received two consecutive satisfactory evaluations after obtaining the rank of Senior Corporal and is rated satisfactory in the current year.

2. The Master Corporal rank may be lost by an unsatisfactory performance evaluation and/or serious disciplinary action.

3. The Master Corporal rank once obtained and lost would be reinstated once a satisfactory performance evaluation is obtained.

5. It is also understood that the rank of Master Corporal does not give preference to that officer for consideration of any promotional opportunity.

**Joint Memorandum of Understanding
Sick and Vacation Accruals and Conversions
Between New Castle County Government and Fraternal Order of Police, Lodge No. 5**

This Memorandum of Understanding (MOU) between New Castle County Government (hereinafter "County"), and the Fraternal Order of Police, Lodge No. 5, ("hereinafter "Union"), representing New Castle County Police Officers defined as patrol officers, corporals, senior corporals, master corporals, sergeants, senior sergeants, lieutenants, and senior lieutenants, for the purpose of establishing the Sick and Vacation Accruals and Conversions effective January 1, 2021. The following terms and conditions document the settlement between the parties:

For the sake of this agreement the following terms are defined as such: "Carried over from previous year" is defined as the time accrued and awarded to the employee prior to January 1 of the current year. "Earned year to date" is defined as the time credited to the employee after January 1 of the current year "Hours balance" is defined as the combined balance of "carried over from previous year" and "earned year to date" time.

1. **Sick Leave:** The terms outlined in the Collective Bargaining Agreement for Sick Leave, Section 42, remain the same with regards to eligibility criteria and the timeframe for accrual of Sick Leave. An employee will be credited with sick leave according to the number of hours in the shift to which the employee is assigned. If an employee's shift changes during that month, this will be reflected in the number of credited hours on the first day of the following month. Credited hours will increase or decrease depending on the employees' assigned shift.

Example: If an employee is assigned to the 11.25-hour shift on January 1, said employee will be credited 1 day of Sick Leave in the amount of 11.25 hours on the first day of February; if an employee is assigned the 10-hour shift on January 1, said employee will be credited 1 day of Sick Leave in the amount of 10 hours on the first day of February; if an employee is assigned to the 8-hour shift on January 1, said employee will be credited with 1 day of Sick Leave in the amount of 8 hours on the first day of February.

When an employee is assigned to a new shift, the employee will be credited with the number of hours based on their newly assigned shift beginning on the first day of the following month.

2. **Vacation Time:** The terms outlined in the Collective Bargaining Agreement for Vacation, Section 30, remain the same with regards to eligibility criteria and the timeframe for accrual. An employee will be credited with vacation according to the number of hours in the shift to which the employee is assigned on December 31 of a given year.

Example: If an employee is assigned to the 11.25-hour shift in a given year, said employee will accrue 11.25 hour days based on the years of accumulated service.

If an employee has a shift change during a given year, the employee's "earned year to date" vacation balance will be adjusted as of the date of the shift change based on the newly assigned hourly shift.

Example: An employee is assigned to the 8-hour shift. The employee is transferred to the 11.25-hour shift. A conversion of the employee's "earned year to date" vacation balance will occur to reflect the equivalent number of days based on 11.25 hours.

Scenario I: Employee with 17 years of service is entitled to 27 days of vacation, employee transfers from 11.25-hour shift to 8-hour shift.

- 11.25-hour shift x 27 days = 303.75 total hours
- 8-hour shift x 27 days = 216 total hours
- 303.75 hours - 216 hours = 87.75 total hour difference
- 87.75 hours will be deducted from the employee's "hours balance"

Scenario II: Employee with 17 years of service is entitled to 27 days of vacation, employee transfers from 8-hour shift to 11.25-hour shift.

- 8-hour shift x 27 days = 216 total hours
- 11.25-hour shift x 27 days = 303.75 total hours
- 216 hours - 303.75 hours = -87.75 total hour difference
- 87.75 hours will be credited to the employee's "hour balance"

When an employee is assigned a new shift, the adjusted balance will not include nor modify the "Carried over from previous year" balance.

Only unused vacation days remaining from the "earned year to date" balance will be adjusted at the time of the employee's transfer.

Scenario I: Employee with 17 years of service is entitled to 27 days of vacation, employee transfers from 11.25-hour shift to 8-hour shift. Transfer occurs in June and the employee has used 7 days of the entitled 27 days of vacation, leaving a remaining balance of 20 days of vacation from the "earned year to date" balance.

- 11.25-hour shift x 20 days = 225 total hours
- 8 -hour shift x 20 days = 160 total hours
- 160 hours - 225 hours = -65 total hour difference
- 65 hours will be deducted from the employee's "hours balance"

Scenario II: Employee with 17 years of service is entitled to 27 days of vacation, employee transfers from 8-hour shift to 11.25-hour shift. Transfer occurs in June and the employee has used 7 days of the entitled 27 days of vacation, leaving a remaining balance of 20 days of vacation from the "earned year to date" balance.

- 8-hour shift x 20 days = 160 total hours
- 11.25-hour shift x 20 days = 225 total hours
- 160 hours - 225 hours = -65 total hour difference
- 65 hours will be credited to the employee's "hours balance"

Scenario III: Employee with 17 years of service is entitled to 27 days of vacation, employee transfers from 8-hour shift to 11.25-hour shift. Transfer occurs in November and the employee has used 27 days of the entitled 27 days of vacation, leaving a remaining balance of 0 days of vacation from the "earned year to date" balance.

- 11.25-hour shift x 0 days = 0 total hours
- 8 -hour shift x 0 days = 0 total hours
- 0 hours - 0 hours = 0 total hour difference
- 0 hours will be deducted from the employee's "hours balance"

Scenario IV: Employee with 17 years of service is entitled to 27 days of vacation, employee transfers from 11.25-hour shift to 8-hour shift. Transfer occurs in November and the employee has used 27 days of the entitled 27 days of vacation, leaving a remaining balance of 0 days of vacation from the "earned year to date" balance.

- 8-hour shift x 0 days = 0 total hours
- 11.25-hour shift x 0 days = 0 total hours
- 0 hours - 0 hours = 0 total hour difference
- 0 hours will be credited to the employee's "hours balance"

10 states in relevant part "No contract which requires the approval of County Council shall
11 be executed, nor shall any work be started there under, until approved by resolution of

13

14 **NOW, THEREFORE, BE IT RESOLVED** by and for the County Council of New

16 ratified agreement with the Fraternal Order of Police, New Castle County Lodge No. 5,
17 Captains, Majors and Lt. Colonel, as set forth in Exhibit "A" hereto.

Adopted by County Council of
New Castle County on:

Monique Williams-Johns
President of County Council
of New Castle County

SYNOPSIS: This Resolution authorizes the County Executive to sign the ratified collective bargaining agreement (“CBA”) with the Fraternal Order of Police (“FOP”), New Castle County Lodge No. 5, Captains, Majors, and Lt. Colonel. This is a three-year agreement that defines the wages and other terms of employment for the bargaining unit retroactive to July 1, 2026 through June 30, 2029. The CBA clarifies the parties duties in defending the CBA, sets forth the FOP’s grievance personnel permitting to attend those proceedings, describes the grievance procedure and establishes the FOP’s right to initiate a system-wide grievance at Step Two without necessarily representing a single grievant along with the New Castle County’s (the “County”) right to bypass Step Two grievance process upon proper notice, increases the maximum number of vacation carry over hours from 560 to 787.5, redefines “immediate family” under the Family and Medical Leave Act for those caring for an immediate family member with a serious health condition, creates an Emergency Leave section with requirements on the manner that such leave may be designated, increases the number of paid military training leave days from 10 to 15, clarifies who may receive the monthly health insurance credit for retired uniformed police and increases the maximum per year value from \$300 to \$375, provides that when a retiree or his/her spouse/eligible domestic partner is eligible for Medicare they are no long covered by the County’s health plan, permits the first \$500 of the clothing allowance to be paid upon transfer, increases the Staff Duty Officer per day pay from \$30.00 to \$100.00, and incorporates language related to possible future application of the Fair Labor Standards Act (“FLSA”).

FISCAL NOTE: The Resolution, if adopted, would approve a new contract for the Captains, Majors, and the Lt. Colonel represented by the Fraternal Order of Police, New Castle County Lodge No. 5.

The estimated fiscal impacts (Salaries/Wages and Employee Benefits) of the Collective Bargaining agreement for the period of July 1, 2026 through June 30, 2029 are as follows:

FY2027	\$94,000
FY2028	\$469,000 (\$375,000 incremental from FY2027)
FY2029	\$668,000 (\$199,000 incremental from FY2028)

The agreement provides for a 2.5% wage increase for the period July 1, 2026 through June 30, 2027; a revised pay plan for the period July 1, 2027 through June 30, 2028; and a 3.0% wage increase for the period July 1, 2028 through June 30, 2029. Additionally, effective July 1, 2026, an additional Step 23 was added, and effective July 1, 2028, Steps 25 and 27 have been added to the pay plan to mirror the rank and file of FOP Lodge #5.

The fiscal impact is calculated on the premise that wage levels would have continued unchanged for an additional three years in the absence of this contract's approval. The financial implications associated with this agreement have already been reflected in the FY2027 Approved Operating Budget.

Acknowledged by the Chief Financial Officer July 17, 2026.

- A. It is the purpose of this Agreement to promote and ensure harmonious relations, cooperation and understanding between the County Government and the FOP unit covered hereby to ensure true collective bargaining under State law, to establish salaries, hours, working conditions, pensions as permitted by applicable law, and other terms of employment, consistent with availability of public funds and with the goals and purposes of the Merit System as established by County Ordinance and Regulation. The County Government and the FOP jointly pledge their cooperation to work together in the public interest to secure continued improvement in the services offered to the citizens of the County in accordance with the objectives of the Reorganization Act.
- B. The parties agree to cooperate in the defense of this Agreement if any portion of it is alleged to be void, illegal, or unconstitutional by any third party, including litigation or administrative actions instituted by

individual members of FOP without the express authorization of FOP. The FOP's duty of cooperation defined herein shall not apply to any claim presented by or on behalf of FOP. "Cooperate" as defined by this section includes a) meeting with County employees and FOP Representatives and their attorneys involved in the defense of any action with the scope of this section; b) timely sharing non-privileged information relevant to the defense of any such action; and c) providing affidavits, declarations, and/or testimony supporting the defense of such actions. If the FOP determines that its obligations in this Section impair any member's right, it shall provide the County with a written notice of objection, stating the basis therefore, with five (5) business days following any County demand.

ARTICLE 2

MANAGEMENT

- A. It is understood and agreed that the County Government possesses the sole right to conduct the County's business and to carry out its obligations including all legislative powers vested in County Council and Administrative powers vested in the County Executive and the Chief of Police as established by laws through ordinances, resolutions and rules and regulations of the Merit System and the Police Department and that all management rights repose therein.
- B. The County and the FOP will meet and negotiate if there are any future changes or alterations to current State law and/or the Law Enforcement Officers Bill of Rights which impact on any Article or provision of this Agreement.

ARTICLE 3

RECOGNITION

- A. The County Government recognizes the FOP as the sole and exclusive bargaining agent for all employees covered by this Agreement for the purpose of collective bargaining with respect to salaries, rates of pay, hours of employment, grievance handling, and other conditions of employment.
- B. The term "employee(s)" as used in this Agreement shall include all Police Officers stated in specific numbered certifications of the Public Employment Relations Board (PERB) including Police Captains, Police Majors and Police Lieutenant Colonel and excluding from this bargaining unit all Police Officers below the rank of Captain and all other employees of the County Government of New Castle County.

- C. The term “designee(s)” when used in connection with the Chief of Police shall mean a Captain, Major or Lieutenant Colonel.

ARTICLE 4

FOP SECURITY

- A. All County Police Officers shall have the right to join or refrain from joining the FOP.
- B. The FOP agrees that it shall fully and fairly represent all members of the bargaining unit.

ARTICLE 5

DEDUCTION OF FOP DUES

- A. The County agrees to deduct the periodic membership dues uniformly required by the FOP as a condition of acquiring or retaining membership in accordance with the constitution and by-laws of the FOP from the pay of employees who certify that they authorize such deductions and who execute the "Authorization for Check-off of Dues" form.
- B. Employees who certify that they authorize such deductions and execute the "Authorization for Check-off of Dues" form assign to the FOP from any wages earned or to be earned from the County as an employee the regular periodic dues and initiation fee or such an amount as may hereafter be established by the FOP and become due to it as said membership dues in the FOP.
- C. Dues deductions shall be remitted to the designated financial officer of the FOP not later than the ten workdays, as defined in Article 7 (F), after each bi-weekly pay in which the dues were deducted.
- D. Upon the proper transmittal of the FOP dues, the County has discharged its obligation to the FOP. The FOP agrees that it shall indemnify and hold the County harmless for any and all claims, demands, suits, actions, charges, grievances or liability of any kind or nature that may arise from, in connection to or by reason of any action taken or not taken by the County for the purpose of complying with any of the provisions of this Article, including any assessments or fees other than a regular membership fee, and the FOP further agrees that it shall

reimburse the County for any reasonable legal fees or expenses incurred in defending against any such action. The FOP shall not be liable, however, if the claim arises because of the County's negligence or willful misconduct.

- E. If the FOP changes the frequency or the amount of dues to be deducted from its members, it shall notify the Chief Human Resources Officer ("CHRO") in writing at least sixty (60) workdays prior to the effective date of such change. The County agrees to implement such a change within the sixty (60) workday period provided the required written notice has been given by the FOP.

ARTICLE 6

FOP GRIEVANCE REPRESENTATIVES

- A. The employees in the bargaining unit shall be entitled to be represented by one grievance representative, chosen by the members of the bargaining unit. Said representative does not need to be a member of this bargaining unit.
- B. If an area grievance representative is not available for the investigation and processing of grievances as specified in the grievance procedure here due to being absent from work, an alternate from the grievance representative's area or the Chairperson of the Grievance Committee may be appointed by the President of the FOP to serve until the area representative shall return. The President of the FOP shall notify the Chief of Police and the CHRO, in writing, of such alternate's appointment and the term thereof, in order that County Government management personnel involved in the grievance procedure will recognize the alternate.
- C. The FOP agrees to furnish the Chief of Police and CHRO a complete list of all elected officers and representatives of the FOP together with their titles of responsibility.

ARTICLE 7

GRIEVANCE PROCEDURE

- A. A grievance is any unresolved question or dispute regarding the wages, hours, terms, or conditions of employment, including unresolved questions or disputes concerning the interpretation and application of this Agreement. Such grievance should state the relevant Article(s) and subsections of this Agreement allegedly violated.

- B. This procedure is designed to provide a peaceful and informal method of settling all such grievances while maintaining the professional integrity of employees covered by the Agreement. The parties agree that proceedings under this Article be kept informal and confidential as may be appropriate.
- C. The FOP is obligated, when reviewing or submitting complaints, grievances, appeals, or problems encountered, to make every reasonable effort to ascertain, document, and present the true facts relating to the situation to facilitate appropriate and timely resolution or action. The County agrees to make available to the FOP such records as the County and the FOP deem appropriate.
- D. It shall be the firm policy of the County to assure every employee an unobstructed use of his/her grievance procedure without fear of reprisal or without prejudice in any manner to his/her professional status.
- E. Time limits as set forth herein may be extended, in writing, by Agreement of the parties.
- F. The term "workday," whether singular or plural, as used in this Article and in Article 5, shall be defined to include only Monday, Tuesday, Wednesday, Thursday, and Friday and shall exclude Saturdays, Sundays, holidays and special holidays.
- G. GRIEVANCE SUBMISSION
 - 1. Grievances shall be processed as rapidly as possible in accordance with the following procedure:
 - (a) Employees shall have the right to represent themselves with the County and have such grievance(s) adjusted without the intervention of the FOP, provided the adjustment is consistent with the terms of the Agreement or the rights of other employees then affected and a grievance representative shall present. Such rejection of FOP representation shall be evidenced by the employee on a written waiver form executed by the employee and submitted to the FOP. Notwithstanding any provision of this Agreement to the contrary, members who represent themselves do not obtain independent legal standing or rights to enforce the terms and conditions of this Agreement and shall not become independent parties to this Agreement for any purpose whatsoever.

- (b) Grievances will not be considered under the grievance procedure unless signed by the Chairperson of the Grievance Committee or the grievance representative and presented within twenty (20) days of the grievant's scheduled workday after the employee becomes aware of the circumstances giving rise to the grievance, but in no case shall exceed twenty (20) workdays. If the employee seeks, pursuant to subsection (c) below, an informal resolution of the issue that may constitute a grievance, the time for filing a grievance is extended for an additional five (5) workdays after the employee is notified of the Chief of Police's proposed, informal resolution.
- (c) Any employee may seek resolution of any issue that may be grieved by informally discussing the issue with the Chief of Police or designee. After discussion with the employee, the Chief of Police or designee may propose an informal resolution. If accepted by the employee, no grievance may be filed. If not accepted, the employee shall have five (5) workdays from the date he/she is notified of the proposed informal resolution to file a formal grievance.

2. GRIEVANCE STEPS

- (a) Step One: Director of Public Safety
 - (i) Any employee or one designated member of a group of employees having a grievance and/or his/her or their grievance representative shall file a grievance signed by the employee(s) and present it to the Director of Public Safety. The Director of Public Safety shall have five (5) workdays from date of receipt of the grievance in which to schedule a Step One hearing. The Step One hearing shall be held within twenty (20) workdays of receipt of the grievance by the Director of Public Safety. A written decision on the matter shall be provided to the grievant by the Director of Public Safety within fifteen (15) workdays of the Step One hearing.
 - (ii) If the affected employee is dissatisfied with the decision of the Director of Public Safety, he/she or his/her designated grievance representative may appeal

to Step Two. An appeal to Step Two must be filed within five (5) workdays of the date of the written Step One decision.

(b) Step Two: Chief Administrative Officer

(i) Within thirty (30) workdays of the receipt of any appeal from a Step One grievance decision, the Chief Administrative Officer ("CAO") or designee shall hold a Step Two hearing.

(ii) To perfect an appeal to the CAO or designee, the FOP must submit a written position statement, no greater than two (2) pages in length, that includes relevant facts and contract provisions and may include legal/arbitral authorities that support the appeal. The FOP's position statement must be provided to the CHRO at the time the appeal is filed. The County must submit a brief, written position statement, no greater than two (2) pages in length, that includes relevant facts and contract provisions and may include legal/arbitral authorities that support opposition to the appeal within five (5) business days of the submission of an appeal by the FOP. The County position statement must be provided to the FOP Grievance Chairperson at the time of submission to the CAO.

(iii) The CAO or designee may conduct investigations, appoint advisory committees, require the attendance of members of the department as witnesses and require the production or examination of records, books, papers and other documents relating to the matter as they deem necessary. The FOP Grievance Committee, through the CHRO, shall have the authority to require the attendance of members of the Department or other County departments as witnesses and require the production or examination of relevant records, books, papers and other documents relating to the matter.

(iv) The County's CAO designee may be the Deputy CAO, CHRO, or Chief of Staff. Should these officials be unavailable, the parties may agree on a different person to serve as the Step Two Hearing Officer.

(v) The employee, grievance representative, and/or members of the grievance committee and/or counsel shall present the grievance at the Step Two hearing.

(vi) The CAO shall submit the Step Two decision in writing, within ten (10) workdays and shall affix his or her signature thereto.

(c) Step Three: Appeal to Arbitration

(i) The decision of the Step Two hearing officer may be appealed to arbitration, provided that a request for arbitration shall be filed with the American Arbitration Association ("AAA") under the current Labor Arbitration Rules within thirty (30) calendar days after the Step Two decision has been given in writing by the Step Two hearing officer to the FOP President. Otherwise, the case shall be settled based on the Step Two decision.

(ii) The arbitrator shall be selected from the membership of the AAA by mutual agreement of the County and the FOP. If the parties cannot agree on a selection within ten (10) workdays after the parties' receipt of a list of available arbitrators from the AAA, the arbitrator shall be selected under the Labor Arbitration Rules of the AAA.

(iii) Notwithstanding any provision of this Article to the contrary, the parties may mutually agree in writing to substitute any commercially reasonable method of alternative dispute resolution or other third-party neutral practice, including establishing a standing panel of arbitrators, in satisfaction of the Step Three functions laid out herein.

(iv) The decision of the arbitrator shall be final and binding on the parties, and the arbitrator shall be requested to issue his/her decision within thirty (30) days after the record is closed.

(v) The arbitration award shall be in writing and shall set forth the arbitrator's opinion and conclusions on the issue(s) submitted. The arbitrator shall be without power to make any decision contrary to or inconsistent with, or modifying or varying in any way, the terms of

this Agreement. The arbitrator shall have no power to establish or change any wage rate or the job content of any classification or modification of any wage schedule.

(vi) In case of a grievance involving any continuing or other money claim against the County, no award shall be made by the arbitrator, which shall allow any alleged accruals prior to the date when such grievance shall have been presented to the County in writing except in a case whereby the employee or the FOP due to lack of knowledge could not know prior to that date that there were grounds for such a claim. (vii) The fee for the arbitrator's service and expenses, the administration fee of the AAA, and the cost of the proceedings shall be borne equally by the County and FOP. - B. The forms of discipline shall include dismissal, demotion, suspension without pay (including suspension of off-duty paid job assignments), transfer, written reprimand, and oral reprimand. Suspension of off-duty paid job assignments will not be used as a separate form of discipline (i.e., separate from suspension without pay), unless the disciplinary

action arises out of a police officer's performance of a paid job assignment.

- C. Any other form of discipline not specified in B above shall be approved by the FOP prior to its implementation.
- D. The County agrees that it will not require employees to work extra-duty hours, as a form of discipline, without the appropriate compensation.

ARTICLE 9

INTERNAL INVESTIGATION

- A. Establishment

The following internal investigation procedures are established and shall be followed when a police officer is questioned in connection with an investigation of his/her conduct. It is understood that police officers exercise a difficult, but important role in the maintenance of law and order. Their constant responsibility to act within the framework of law, and in a manner which properly reflects the discipline of the Department requires that reporting procedures be established to maintain officer accountability. On the other hand, it is important that in the process of requiring officers to render account for their use of power, they are not required to sacrifice important rights safeguarded to all other citizens.

- B. Definition of Internal Investigation

An internal investigation is any examination, question, inquiry, investigation, scanning or other method designed to examine certain points of information, either based on fact or hearsay, which may ultimately result in the disciplining of a police officer for alleged violations of law, governing rules and regulations, directives or other rules of conduct.

- C. Professional Standards Unit

The department shall establish a unit, to be known as the Professional Standards Unit, which shall be responsible for handling internal investigations.

- D. Duty to Cooperate and *Garrity* Rights

- 1. The Department recognizes that, for purposes of criminal prosecution, officers do not automatically waive their

Constitutional privilege against self-incrimination when questioned regarding an internal investigation. However, every police officer shall answer questions posed to him/her by officers of the Professional Standards Unit. If a police officer refuses to answer questions upon being advised of his/her *Garrity* Rights, he/she may be placed on administrative leave without pay by the Chief of Police or designee immediately upon refusal.

2. If an officer is cooperative, but reasonably requests additional time to retain counsel and/or legal representation, he/she shall be placed on administrative leave with pay for no more than twelve (12) calendar days and he/she shall be paid his/her base rate of pay. Should the employee continue to refuse to answer questions posed by the Professional Standards Unit after the twelve (12) days mentioned above, he/she may continue on administrative leave, but it shall be without pay or benefits. However, if no criminal charges are placed against the employee, he/she shall be reinstated with full benefits and back pay at his/her base rate.

E. Complaints

When a complaint is made against a police officer, a preliminary review of the complaint will be conducted using all available resources, including but not limited to: body worn camera footage, video surveillance footage, audio recordings, and/or witness testimony. If there is just cause to investigate, the complaint will be fully and properly investigated. If there is no corroborative evidence in support of the complaint, then the complaint shall be classified as unfounded, and the employee shall not be required to submit a written report or memorandum.

F. Procedure

The following procedures are established to ensure certain rights of police officers under investigation and shall not be construed to limit supervisory or command authority in normal operations. To ensure that internal investigations are conducted in a manner which is conducive to good order and discipline the following procedures are established:

1. Every police officer shall answer questions upon the request of officers of the Professional Standards Unit, subject to the provisions in subsection D above. Before questioning of the police officer occurs, he/she shall be apprised of the following: identity of the officer in charge of the investigation, identity of

the officers conducting the investigation, their names, ranks, and assignments, the nature of the investigation including any alleged violations of rules and regulations and/or orders, or any other allegations. The police officer shall be notified of the complainant's name, if available. The police officer shall also be advised whether his/her involvement in the investigation is as a principal or witness at the time of questioning.

2. The questioning of a police officer shall be conducted at a reasonable hour in a non-coercive manner, without threat or promise of reward and preferably when the police officer is on duty.
3. The questioning of a police officer shall be conducted at police headquarters, the County Administration Building, or the place where the incident allegedly occurred, as designated by the investigating officer, unless otherwise waived by the officer being investigated.
4. All questions directed to the officer under investigation shall be asked by and through no more than two (2) interrogators.
5. Interrogation sessions shall be for a reasonable period and shall allow time for such personal necessities and rest periods as are reasonably necessary.
6. If a complete record, either written, taped or transcribed, is kept of the interrogation of the police officer, a copy of the record shall be available to the officer or his/her counsel upon request.
7. If the officer under interrogation is being investigated in reference to violation of a criminal statute, he/she shall be completely informed of his/her rights prior to the commencement of the interrogation.
8. At the request of any officer under interrogation, he/she shall have the right to be represented by counsel or other representative of his/her choice, who shall always be present during the interrogation, unless waived by the officer.
9. Directives and orders concerning internal investigations inconsistent with the guidelines set forth herein shall be modified accordingly.

10. The Department shall not insert any adverse material into any file of an officer except the file of the internal investigation, unless the officer has an opportunity to review, sign, receive a copy of, and comment in writing upon the adverse material.
11. If the County is required by subpoena to produce a Professional Standards Unit file or part of a file and an employee is party to the proceedings or an officer may be required to testify, the officer may review the produced files.
12. Prior disciplinary actions related to discriminatory policing, harassment, and/or tampering with evidence, may be considered for purposes of establishing a pattern or practice of unacceptable behavior and may be used for purposes of future progressive discipline regardless of when the prior disciplinary action occurred. An employee who receives no discipline for three years from the last discipline shall not have prior discipline for infractions unrelated to discriminatory policing, harassment, and/or tampering with evidence considered against him/her for purposes of future progressive discipline.

G. Legal Defense and Police Professional Liability Insurance

1. The County agrees to provide defense counsel for any employee subjected to or threatened with civil or criminal prosecution because of the lawful performance of his/her duties as an employee of the County. All reasonable efforts will be made to provide counsel acceptable to both the County and the employee, but the final determination as to who shall serve shall rest with the County alone. The County agrees to accept responsibility for all reasonable and necessary expenses connected to the defense of the employee, but in no event shall the County pay, or be responsible or liable for, any assessment of punitive damages, or for fines beyond the cost of the defense in a suit in which the employee is found to have acted wantonly and/or maliciously.
2. The FOP or the employee may provide or obtain such additional counsel as they may deem necessary for the proper defense of the employee without prejudice to or relief of the County's responsibility in the provision of counsel as provided for in paragraph 1 above.
3. The County shall provide police professional liability insurance coverage which shall include protection against false arrest and

civil suit damages for each individual employee in the performance of his/her duties. Said coverage shall be for a maximum benefit of one million dollars (\$1,000,000.00) per claim.

- B. Nothing in subsection A above is to be construed as limiting the Chief of Police in the promotion of personnel as vacancies or operations may demand.
- C. Employees who are disciplined up to and including dismissal during the probationary period defined above may challenge such discipline through the contractual disciplinary grievance procedure executed by and between NCC and the FOP as allowed by 11 *Del. C.* § 9203. Any

If a tie exists when these last three digits have been reviewed, the employee with the last four highest digits in his/her Social Security number shall be considered the senior employee.

SICK LEAVE

- A. Each full-time employee is entitled to sick leave with full pay in accordance with the following provisions:

An employee shall be credited with one (1) day of sick leave for each completed month of service. Accumulation of sick leave is unlimited.

Sick leave may be used to prevent loss of pay when absent for:

- (1) Personal illness or injury, when not covered by worker's compensation.
- (2) Medical, dental, or optical appointment. Up to four (4) hours of sick leave shall be granted for such appointments, unless factors such as unusual travel or recuperative problems occur. Additional time shall be granted in these instances if supported by a copy of the appointment form or other acknowledgment supplied by the treating physician.

An employee who has prior knowledge that he/she may have to use sick leave for medical, dental, or optical appointments shall make application for this type of sick leave on forms prescribed by the County, specifying the name and location of the physician and the date and time of the appointment. Such application for sick leave usage must be made at least twenty-four (24) hours in advance for an employee to be entitled to use sick leave to cover his/her absence. Inability or failure to notify the County twenty-four (24) hours in advance shall require the employee to provide an explanation to the Chief of Police or designee. If a medical emergency precludes the employee from applying for sick leave in advance of a medical, dental, or optical appointment, he/she shall be required to complete the application form immediately following his/her return to work and properly verify such emergency by supplying a statement from his/her physician. To receive compensation for sick usage for a medical, dental, or optical appointment, the employee shall also be required to report his/her inability to be on duty, as specified in subsection C below, if such an appointment precludes his/her coming to work at his/her regularly scheduled starting time.

- (3) Quarantine in the home, or when upon the advice of a physician it appears that the presence of an employee would jeopardize the health of fellow employees.
 - (4) Illness requiring personal attention of an employee due to the illness or injury of an individual with whom the employee resides or to care for a member of the immediate family who has a 'serious health condition' as defined by the Family and Medical Leave Act for whose care the employee is responsible. The immediate family shall be defined as father, mother, brother, sister, son, daughter, husband, wife, parent-in-law or any relative residing in the same home or any person with whom the employee has made his/her home. The limit under this paragraph shall be ten (10) days per year. Further usage shall require the approval of the Chief of Police or designee.
 - (5) The County and the FOP agree to cooperate in encouraging employees afflicted with alcoholism or drug addiction to undergo a program directed toward their rehabilitation.
- B. To receive compensation for sick leave, it is the employee's responsibility to report his/her inability to be on duty and the reason as early as practical, but in any event prior to the time set for the beginning of his/her daily duties.
- C. Sick leave will be credited and subtracted in hours, depending on the employee's regularly scheduled eight (8) hour shift.
- (1) To receive payment for sick leave, any employee who is absent for personal illness for three (3) or more consecutive days may be referred to the County's designated medical facility upon returning to work unless he/she presents a medical certificate. If the employee returns to work without a medical certificate, he/she shall immediately report to his/her supervisor who shall determine whether or not the employee should start work or be referred to the County's designated medical facility.
 - (2) After an absence of three (3) or more consecutive days, due to a personal, non-occupational injury, an employee shall not be permitted to return to work unless he/she presents a medical certificate from his/her physician.
- D. Time off without loss of pay or sick leave shall be granted as follows:

- (1) In the case of a death of a member of the immediate family, defined in Section (38), paragraph (d), no deduction of hourly rate may be made for absence of four consecutive workdays.
 - (2) In the case of the death of a near relative, defined as grandparent, first cousin, aunt, uncle, niece, nephew, brother-in-law or sister-in-law, absence on the day of the funeral shall be allowed, provided it is a regularly scheduled workday for the employee. The employee may be required to provide verification in order to be granted this leave.
 - (3) If Congress enacts legislation providing for involuntary induction into the military, absence necessitated by examination connected with possible Selective Service induction shall be allowed without charge against sick leave.
- E. Notwithstanding any other provision of this Article 15 to the contrary, each employee may designate up to 3 days of accrued sick leave each year as "Emergency Leave." "Emergency Leave" designation is permitted only in full day increments and only when the employee is presently unable to report to duty caused by any of the following: 1) a serious, sudden, and unforeseen accident directly involving the employee, 2) damage to the employee's residence(s) due to an emergent event (not to include income earning properties in which the employee does not reside), 3) a serious, sudden, and unforeseen accident directly involving a member of the employee's immediate family, or 4) damage to the principle residence of a member of the employee's immediate family due to an emergent event. No other causes qualify as a basis for an employee to designate sick leave as Emergency Leave. Employees must produce documentation to support the designation of Emergency Leave when requested. The term "immediate family" as used in this subsection shall have the same meaning as set forth in Section A, subsection 4 of this Article. Designation of Emergency Leave must follow the procedure outlined in the applicable sections of the Division of Police Policy related to Compensation, Benefits, and Conditions of Work (currently Appendix 22-C).
- F. In the case of an extended illness where an employee has exhausted all his/her accumulated sick leave, vacation time, and any other available paid leave the FOP may request that an advancement of unearned sick leave be loaned to such an employee. The FOP shall bring the matter to the attention of the CHRO or designee who may, at his/her sole discretion, grant a sick leave loan up to ten (10) days, provided that a written statement from the employee's physician has been submitted which indicates the reason for the extended illness. The CHRO may

recommend that the County Executive grant an additional sick leave loan of up to twenty (20) days. Such advancement of unearned sick leave shall be considered a loan and shall be repayable to the County. All such loans must be reimbursed to the County before any request for additional sick leave loan will be granted. When an employee who has received an advance loan leaves the County service and the loan has not been repaid, the County will be reimbursed for the remaining sick leave balance, except in the case of death or full disability.

Such educational leave with full or partial pay shall not be granted in conjunction with any other leave of absence and is intended to be utilized by the County employees needing specific grants of time during normal duty hours to attend educational classes which are not available at any off-duty time. It is specifically prohibited to grant a block of educational leave in conjunction with leave without pay granted for educational purposes. Educational leave for a longer period may be granted in special cases of unusual merit and of great benefit to the County government. In such cases, the employee must agree in writing to return to work for a minimum period of one (1) year after expiration of the educational leave.

 - (b) If incapacitated for his/her regular employment, the employee may be given other duties within the Police

Department for the period of recuperation. Unwillingness to accept such an assignment as directed by the Chief of Police or the CHRO or designees will make the employee ineligible for disability leave during the time involved.

- (6) Fraternal Order of Police Convention - Leaves of absence with pay to attend and serve as delegates or alternates to conventions of the Fraternal Order of Police and organization and training conferences relating to the Fraternal Order of Police shall be granted to the FOP. Such leave shall not exceed two thousand six hundred (2,600) hours for the three-year duration of this agreement. The FOP agrees to endeavor to make appointments to such conventions or other functions requiring said leave, in such a manner as to prevent serious staffing shortages within any one (1) division or squad of the Department. Notice for said requested leave must be submitted in advance to the Chief of Police or designee, listing the name(s) of personnel and total hours to be used. Such leaves may be used for training and education in grievance handling, labor and management relations, personnel administration, etc. Such leave shall also be granted for attendance at the National Law Enforcement Memorial Services, to include the Candlelight Vigil, Parade of Honorees and Memorial Service.

HEALTH INSURANCE AND PRESCRIPTION DRUG BENEFITS

- A. (1) The County agrees to assume the full cost of providing a basic indemnity plan for the full-time employee's applicable coverage (i.e., employee only, employee and children, employee and spouse, or employee and family) with a level of benefits consistent with the indemnity plan available in program year 2019. The County will also make alternative plan designs available that require employee cost sharing, such as, but not limited to, EPO, PPO, HMO, POS, and HSA plans.

Effective January 1, 2017, the County shall pay 93% of each employee's monthly premium for health insurance other than the basic indemnity plan which shall be paid at 100%.

Effective January 1, 2021, the County shall pay 90% of each employee's premium for health insurance other than the basic indemnity plan which shall be paid at 100%.

Effective January 1, 2022, the County shall pay 87% of the monthly premium for each employee enrolled in the PPO plan. Employees enrolled in the PPO plan may maintain their premium share at 10% on or after January 1, 2022, if they participate in the Wellness Program offered by the County and maintain their participation for the entire calendar year. The Wellness Plan shall be implemented on January 1, 2021, and employees shall receive enrollment materials by November of 2020. Points shall accumulate throughout 2021 for 2022 premium sharing rates. The County will continue to pay 100% of the premiums for each employee enrolled in the basic indemnity plan and 90% of the premiums for employees enrolled in all other plans, except the PPO, as set forth above.

The County shall deduct the employee's contribution through payroll deduction. Health care coverage shall include the employee's domestic partner, if the employee's domestic partner was enrolled in a County plan as of December 31, 2020, and maintains enrollment without any interruption. Domestic partners who meet these criteria may maintain eligibility for health care coverage as provided in this Agreement (and may hereafter be referred to as an "eligible domestic partner" or "eligible domestic partners"). Effective January 1, 2021, coverage for domestic partners for new enrollments will no longer be an option (continuing coverage

will only be available for domestic partners who were enrolled as of December 31, 2020).

- (2) The County has established a spousal coordination of benefits ("COB") program and maintains a separate policy with additional terms and forms for the administration of the COB program.

Effective January 1, 2021, employees who are married (or eligible domestic partners) and who are both employed by the County, must elect to be covered under a single plan, i.e., one spouse/eligible domestic partner must select an employee plus spouse or an employee plus family coverage plan, and the other employee-spouse/eligible domestic partner must be covered by that same plan and may not maintain independent or separate coverage under a County plan.

For new employees hired on or after January 1, 2021 and continuing for each plan year thereafter: If a County employee's spouse/eligible domestic partner is eligible to participate in a group health insurance and/or prescription drug insurance plan through their employer (notwithstanding that employer's COB policies), the spouse/eligible domestic partner of the employee must enroll with at least single coverage in said employer's sponsored group insurance coverage(s). If a County employee's spouse/eligible domestic partner is self-employed/self-insured and offers a group health and/or prescription drug plan to his/her employees, such self-employed spouse/eligible domestic partner must also enroll with at least single coverage in such employer-sponsored group insurance. This requirement shall be waived for any spouse or eligible domestic partner whose employer (self-employed) requires the spouse or eligible domestic partner to pay more than 50% of the single coverage monthly premium and the employee submits proof of such. Upon the spouse or eligible domestic partner's enrollment in any such available group health and/or prescription drug insurance coverage, that coverage will become the primary payer of benefits, and the coverage sponsored by the County will become the secondary payer of benefits, if elected by the County employee. It is the County employee's responsibility to advise the County immediately (and not later than 30 days after any change in eligibility), if the employee's spouse or eligible domestic partner becomes eligible to participate in group health insurance and/or prescription drug insurance sponsored by his/her employer. Upon becoming eligible, the employee's

spouse/eligible domestic partner must enroll in any group health insurance and/or prescription drug insurance sponsored by his/her employer, unless he/she is exempt from this requirement in accordance with the exemption stated above.

- (3) Health care plans in effect as of January 1, 2021, shall include the following copayment rates. *

* Should the County establish and offer new plans during the term of the Agreement, such as an employee self- directed care plan, copayments shall be at the rates established by the County with the plan formation.

** This copayment will be waived if the patient is admitted to the hospital.

*** No copayment will be charged when the service is received from a designated non-copayment provider. Employees will be personally responsible for the difference between the cost for the service the plan covers for the designated non-copayment provider charge and the cost charged by a non- covered provider, if the member chooses to use a provider other than a designated non-copayment provider. An exception will be granted in instances of documented medical necessity.

- (4) The County will provide the following three-tier prescription drug co-pay system:

Generic prescription drugs	\$ 8 employee co-pay
Preferred prescription drugs	\$ 30 employee co-pay
Non-preferred prescription drugs	\$ 50 employee co-pay

When available, employees may fill maintenance medications through a 90-day mail order supply program. Employees will only be charged

two (2) 30-day co-pays for the 90-day supply when filled through the mail order supply program.

B. Waiver of Health Insurance - Payment to a Deferred Compensation Plan

If an employee presents proof that the employee has health insurance coverage from a source other than the health insurance provided by the County and waives the right to receive health insurance coverage from the County, the County will contribute, for the benefit of such an employee, the sum of \$250 per month to a deferred compensation plan established pursuant to Section 457 of the Internal Revenue Code. No payment shall be made pursuant to this provision until the employee has established an account with the County's deferred compensation administrator and has been removed from the applicable County health insurance plan. In addition to exclusion from this payment as a primary insured, employees who have secured health insurance coverage through a County plan, other than as a primary insured, will not be eligible to receive this payment.

C. Access to Information

The FOP will be granted full and complete access to all information pertaining to rate increases. This access will include authorization to receive information directly from existing and prospective carriers.

D. Retirees

(1) The County agrees to make available and assume the cost of a basic individual indemnity plan for those employees retiring on or after July 1, 1975, but before April 1, 1997, who are not eligible for Medicare. Such retirees shall have the same options available to active employees under paragraph 64 with the cost of coverage under the basic indemnity plan serving as the amount of the County's contribution.

(2) For--those employees retiring on or after April 1, 1997 (who are not eligible for Medicare), the County agrees to assume the full cost of providing a basic individual indemnity plan. Further the County agrees to issue health insurance credits as outlined below:

(a) Each month, the retiree shall be issued a health insurance credit to be used exclusively to purchase health insurance coverage (through the County) for retirees who purchase coverage for themselves and their

child or their children, spouse/eligible domestic partner, or family.

- (b) The value of the monthly credit for uniformed police will be the product of \$15 times the number of years of credited service. The maximum value of the monthly health insurance credit for each retiree shall be \$375 regardless of length of service in excess of the number of years required for normal retirement under any plan.
 - (c) Credits cannot be banked for future use.
 - (d) If the cost of the health insurance program selected by the retiree exceeds the amount of the individual retiree's health insurance credit, the retiree will be responsible to contribute the difference. In the event other coverage is available for the spouse/eligible domestic partner, the County will be considered the secondary provider of insurance under coordination of benefits.
 - (e) For the avoidance of doubt, a retiree who purchases health insurance coverage solely for themselves is not entitled to a health insurance credit under this Article.
- (3). Regardless of the date of retirement, when a retiree or his or her spouse/eligible domestic partner becomes eligible for Medicare, the County's insurance will cease. Upon verification of enrollment in Medicare Parts A and B, the County will pay the full cost of providing the retiree and his or her spouse/eligible domestic partner with coverage that supplements, or, as in the case of Medicare advantage plans, replaces Medicare for Medicare participants. In the event of the retiree's death, the County will not assume the cost of providing coverage for the surviving spouse/eligible domestic partner.
 - (4). When the retiree or his/her spouse becomes eligible for Medicare, the Medicare eligible individual is no longer covered by the County plan. He or she is eligible for the Standard Medifill or equivalent coverage. The retiree or his/her spouse who is not Medicare eligible at that time shall remain on the County plan until he/she becomes Medicare eligible.
 - (5). When a member of the Department retires on a disability retirement and is unable to work at a full-time job, he/she shall be eligible to receive the County's basic indemnity coverage plan in effect at the time of his/her retirement. The cost of the

plan, which may cover the employee, his/her spouse, and dependent children who are entitled to coverage under federal law, shall be borne by the County. Such retirees shall have the same options available to active employees under Sections A and D above, with the cost of coverage under the County's basic indemnity plan in effect at the time of his/her retirement serving as the amount of the County's contribution.

E. Life and Accidental Death and Dismemberment Insurance

- (1) Effective April 1, 1997, the County agrees to assume the full cost of life insurance amounting to one and one-half (1½) of the employee's annual salary, with a minimum death benefit of \$50,000 and a maximum death benefit of \$200,000. Additionally, the County will provide accidental death and dismemberment benefits for each employee. Employees will contribute \$1.00 per month toward the cost of this insurance. The County further agrees to administer (through payroll deduction) the voluntary purchase of additional term life insurance coverage at full cost to the employee.
- (2) The County agrees to assume the full cost of providing \$5,000 life insurance for those employees retiring from County service on or after April 1, 1997, with accidental death and dismemberment benefits for each employee. If the retiree had voluntary additional life insurance as of the date of retirement, the retiree may elect to continue the voluntary additional life insurance coverage, and the County agrees to assist the retiree in obtaining such coverage, at full cost to the retiree.

F. Benefits Committee

- (1) The County shall maintain a Labor - Management Health Care Benefits Committee (the "Benefits Committee") which shall consist of a representative designated by each County bargaining unit and six (6) representatives designated by the County, each of whom shall be a participant in the County employee health insurance plan. The CHRO or designee shall chair the Benefits Committee. The members of this bargaining unit shall be represented by the designee selected by the FOP. The members of this bargaining unit will not have a separate representative on the County's Benefits Committee.
- (2) The Benefits Committee shall meet for the purpose of reviewing and determining employee benefits including any Wellness Programs available to County employees for the future

enrollment periods and the identity of administrators and carriers.

- (3) The Benefits Committee shall be involved at all stages of the review process, including the development of bid specifications, the review of bids (including costs of each plan), meetings with bidders, the design of a benefits plan and Wellness Program, and the selection or termination of plan administrators and consultants. One of the objectives of this review and selection process shall be to foster competition among bidders. During this process the union representatives will be granted full and complete access to all information relating to employee benefits.
- (4) The Benefits Committee shall meet as often as possible to fulfill the duties identified in paragraphs (b) and (c) above, but no less frequently than quarterly. Meeting agendas will be provided in advance and will include quarterly financial updates of the plan. Minutes will be provided after each meeting.
- (5) Any recommendations reached by the Benefits Committee shall be subject to approval by the membership of the -FOP, -in the following- manner; Committee members shall be provided with adequate time and information regarding the proposed recommendation of the Benefits Committee to allow FOP members to make an informed decision regarding their health care benefits. Following a decision by the FOP membership regarding the proposed recommendation of the Benefits Committee, the Benefits Committee shall meet to vote on the proposed recommendation, which shall require approval by two-thirds of the members present at the Benefits Committee meeting. With advance notice, Benefits Committee members may designate a proxy to cast their vote.

SYNOPSIS: This Ordinance, if approved, amends the Pay Plan and Rates of Pay to implement the wage increases resulting from the County's collective bargaining negotiations with the FOP on behalf of the Captains, Majors and Lt. Colonel.

This three-year agreement defines the wages and other terms of employment for the bargaining unit effective July 1, 2026. The agreement provides for a 2.5% wage increase for the period July 1, 2026 through June 30, 2027; a revised pay plan for the period July 1, 2027 through June 30, 2028; and a 3.0% wage increase for the period July 1, 2028 through June 30, 2029. Additionally, effective July 1, 2026, an additional Step 23 was added, and effective July 1, 2028, Steps 25 and 27 have been added to the pay plan.

FISCAL NOTE: This Ordinance approves and adopts a new pay plan and rates of pay for the Captains, Majors, and Lt. Colonel represented by the FOP.

The estimated fiscal impacts (Salaries/Wages and Employee Benefits) of the Collective Bargaining agreement for the period of July 1, 2026 through June 30, 2029 are as follows:

FY2027	\$94,000
FY2028	\$469,000 (\$375,000 incremental from FY2027)
FY2029	\$668,000 (\$199,000 incremental from FY2028)

The fiscal impact is calculated on the premise that wage levels would have continued unchanged for an additional three years in the absence of this contract's approval. The financial implications associated with this agreement have already been reflected in the FY2027 Approved Operating Budget.
